

A Higher, Deeper Praise

D **A/C#** **D** **G**
You who cry out 'mine' to
D/F# **A/C#**
All the wonders of your world;
D **G** **Em**
You take all the cre-dit,
A/C# **G/B** **A/C#** **D**
You have made it a-----ll.
D **A/C#** **D** **G**
Yet You have cried 'mine' to
D/F# **A/C#**
Ev'ry dark and bitter sin
D **G** **Em**
You took all the cre-----dit
A/C# **D**
For our fall.
Bm **D/F#** **G9** **G**
You deserve the glory
D/A **F#m/A** **Bm9**
You have borne the shame
D/C **G/B** **Em** **A/C#** **D**
Lead us to a high-----er deeper praise!

You who spoke to Moses,
On Sinai long ago;
Showed us how to know You
In this desert waste
But who has followed
Save the man who was our God?
Who but the lawgiver
Has obeyed?

Chorus

You are the victor
Shattering both sin and death
Who can stand to challenge
Your eternal throne?
But You were defeated;
You were beaten, stripped and scorned.
What of human pain
Have You not known? *Chorus*

God tells our story
And plays each needful part
He is author yet
He steps onto the page
Come and praise our playwright
Who alone has truly played
He transforms the story
From the stage.
