

I Do Believe

I would be thine o take my heart and fill it with they love
Thy sacred image Lord impart and seal it with they love

I would be thine but while I strive to give myself away
I feel rebellion still alive and wonder why I pray

I do believe Lord in spite of all my sin
I would be yours Lord Please make me new within

I would be thine but Lord I feel evil still lurks within
Do thou thy majesty reveal and banish all my sin

I would be thine I would embrace the saviour and adore
Inspire with faith infuse with grace and now my soul restore
