

# **Mary's Song**

**How can it be that I am blessed  
To bear a gift so tender  
My soul rejoices in the LORD  
The one true God my Saviour  
They will surely call me blessed  
From now all generations  
For he has remembered me  
For he has been mindful**

**O, rejoice!  
You people Israel  
Your light has come  
Hallelujah**

**He has brought down the mighty ones  
And lifted up the humble  
He has helped the weak to stand  
And scattered all the prideful  
And He has filled the hungry  
And sent the rich away  
To those who fear him he has shown  
A never-ending mercy**
