

# May God Keep You

*Psalm 150*

May God keep you on your road  
Send blessings upon your head  
May Jesus share your heavy load  
And bring you peace and rest  
May his face shine down upon you  
May you feel His grace  
May He never remove  
His steadfast love from you.

Let everything that has breath  
Praise His holy name  
Praise Him for His mighty deeds  
Praise Him all that He creates  
Praise Him in His sanctuary  
Praise Him all the earth  
Praise Him throughout all the ages  
for His faithfulness.
