

May God Keep You

Psalm 150

May God keep you on your road
Send blessings upon your head
May Jesus share your heavy load
And bring you peace and rest
May his face shine down upon you
May you feel His grace
May He never remove
His steadfast love from you.

Let everything that has breath
Praise His holy name
Praise Him for His mighty deeds
Praise Him all that He creates
Praise Him in His sanctuary
Praise Him all the earth
Praise Him throughout all the ages
for His faithfulness.
