

# Until He Comes

*Lamentations 3*

I have sought the darkness  
I have been unwise  
Since I was young I have hungered  
for the sinful life  
And when you called I ran from you  
Down every easy road  
My God have you forsaken me?  
Is it too late for my soul?

Great is thy faithfulness  
Great is thy love  
I will wait on the Lord  
Until He comes to make me whole  
His promise is my hope    His promise is my hope

I have known affliction  
Cried rivers from my eyes  
I have longed for death to come  
To still my worried mind

Great is thy faithfulness  
Great is thy love  
I will wait on the Lord  
Until He comes to make me whole  
His promise is my hope    His promise is my hope

I will wait quietly for the one I seek  
He will show compassion as He brings me grief
